~ New Church Directory, we are going to publish an updated Church Telephone Directory this autumn. The Directory is a wonderful way to keep in touch with everyone in the church.

If you are currently in the Church Telephone Directory, all your details are correct and you wish to continue to be in it, then you don't need to do anything. Your details will automatically be entered into the new directory.

If you are not in the Church Telephone Directory and would like to be, please fill in a form which is on the table at the back of the church, and pass it to Janis, in the Church Office.

If you are in the current Directory but have changed any of your details i.e. email address, 'phone number, address then please fill in the form at the back of the church and pass it to Janis. Your details will be amended.

If you are in the present Church Telephone Directory and wish to be taken out of it then please contact Janis, in the Church Office.

~ We are looking to add a further column in the Church Directory to include support or assistance that members would be prepared to offer others in our church family. Examples could include help with shopping, some gardening, transport to appointments, meeting for a chat, or anything else that may be helpful.

We started to create this list several months ago and hope more members would be happy to be included in this section.
